Dear Parents and Students,

Welcome to Saint Mary School! In choosing Saint Mary's, you have demonstrated a commitment to the values and philosophy of a Catholic education. We, at Saint Mary School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is each parent's right and duty to become the primary role model for the development of your child's life -- physically, mentally, spiritually, emotionally, and psychologically. Your choice of Saint Mary School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

**Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others.** Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in each child's family life.

During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. **To divide authority between school and home or within the home will only teach disrespect of all authority.** If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

This Parent/Student Handbook reflects the policies of our school for the 2017-2018 school year. Please read this document carefully. Your signature on the enrollment agreement for the 2017-2018 school year states that you intend to abide by the policies of Saint Mary School during the 2017-2018 school year.

The faculty and staff of Saint Mary School look forward to working with you to promote academic excellence and spiritual development in the context of the teachings of the Catholic Church.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

And let us pray that God, who has begun this good work in us, may carry it through to completion.

God bless you,

Mary Jo Aiken  
Principal

*"What greater work is there than training the mind and forming the habits of the young?"*

## **Saint Mary School**

Saint Mary School is a Montessori through Grade 8 Catholic Pre-school, Elementary and Middle School under the Diocese of Buffalo Catholic Schools Office.

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers and teachers alike. Vatican II texts are used so that our theology is in compliance with the bishops of the world. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At Saint Mary's, we are attempting to "teach as Jesus did."

The Diocesan curriculum guidelines, consistent with the State of New York guidelines are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles rather than fact, on learning through problem solving rather than by precept. We strive to offer a program which makes use of many sources of reading material, a wide variety of audio-visual and technology tools and a multi-text approach to the content areas.

### ***History and Philosophy***

From 1836, St. John Neumann desired that every family would have the opportunity to educate their children in both academics and in our Catholic faith. Our parish school was established in 1849 and today, more than 160 years later, St. John Neumann's vision continues as St. Mary's serves students and their families from more than ten area school districts.

Saint Mary School endorses the call of the Catholic Bishops of the United States to express its educational ministry through the objectives of personal spirituality, social justice, and a strong academic program in accord with the Curriculum Guide for Catholic Schools in the Diocese of Buffalo.

1. To develop the total Christian personality by instilling in the students a respect for life and reverence for Christian living.
2. To develop within the school a strong religious education program based on Catholic Theology, Scripture, Liturgical experience, and service so that each child will grow and develop in the Christian way of life.
3. To facilitate the intellectual, social, and physical development of each child through a variety of instructional methods such as small and large group instruction, departmental classes, and other tools for basic knowledge and formation.
4. To aid students in evaluation of their own capabilities and vocational possibilities.

It is the consensus of the faculty that every human being has a right to pursue knowledge corresponding with his/her dignity and God-given ability, regardless of background or gender. In the early years, education is often of the utmost importance because through education and guidance the children of today become the Catholic citizens of tomorrow.

### ***Our Mission Statement***

St. Mary School provides a Catholic Atmosphere of concerned and supportive involvement. Students use their God-given talents to reach their full potential academically, socially and spiritually. Then, they can joyfully and enthusiastically contribute to the growth of their community and continue to broaden their faith.

### ***Our Core Values***

- **Faith** – embodied as followers of Jesus Christ, reflecting His love for all;
- **Family** – embraced as we accept our integral roles as family members, community members, and global citizens;
- **Knowledge** – inspired through an active spirit of inquiry, discovery and joy in every classroom;
- **Service** – imbued in the daily and monthly activities of each classroom;
- **Tradition** - instilled as we honor the dignity and heritage of all;

Because St. Mary’s is a Christ-centered school, we are committed to hiring teachers, assistants and staff members who practice their Catholic or other Christian faith as defined by the *Apostle’s Creed*, and who invite and fully support the presence of the Father, Son, and Holy Spirit in each classroom and throughout the halls of St. Mary School.

### ***Our School Pledge (said daily)***

We are Saint Mary’s students, using our God-given talents to reach our full potential, academically, socially, and spiritually. We start each day anew, with joy and enthusiasm, committed to making our school, our community, and our world a better place.

### ***Our Classroom Prayer (said before each class)***

Lord, let me **learn with enthusiasm, lead with humility, and serve with respect.**

## **ADMISSION**

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, or national and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic and physical abilities and the resources available to the school in meeting the student's needs.

## **PROMOTION**

The following factors are considered in the promotion of a student:

- Class performance according to grade level requirements
- Student age and ability
- Student achievement on examinations, class work and standardized tests
- In grades 3-8, an overall average of 70% or higher

## **OUR PROGRAM AND CURRICULUM**

The curriculum of St. Mary School follows the guidelines of the Department of Education of New York State and the Catholic Diocese of Buffalo. The curriculum is designed to meet the individual needs of the student. Students in Pre-Kindergarten through 8<sup>th</sup> grade are guided in Religion, Language Arts, Mathematics, Science, Social Studies, Foreign Language, Art, Music and Physical Education. Cross-curricular activities in each of these areas facilitate an integration of arts and crafts, science, music, drama and literature, music and dance, and our Christian and multi-cultural heritages into each and every classroom setting.

As a STREAM (Science, Technology, Religion, Engineering, Art and Math) school, additional emphasis is placed upon hands-on activities and clubs that support learning for college and career readiness.

All students, regardless of religious affiliation, participate in religion classes, Masses and religious celebrations.

We strive to help all students develop skills in written and spoken communication; reading and comprehension; listening, observing, discovering; memorization; logical reasoning; critical thinking; active learning; research and information gathering.

We honor and promote the Christian conscience that engenders respect among all, honesty, integrity, self-discipline, dedication, loyalty, cooperation, community spirit, global citizenship and appreciation of cultural diversity, patriotism, social justice, service and stewardship.

We endeavor to help our students respect their bodies as temples of the Holy Spirit and their lives as gifts from our Creator through educational experiences presented in a Christian context that emphasizes the development of positive and safe health habits, universal precautions, physical fitness and sportsmanship, understanding of physical and biological functions and the sanctity of life.

We practice *respect for self, respect for others, respect for the environment*, and help our students develop a positive self-image that assures a healthy sense of self-esteem and self-worth; the courage to make mistakes and the dedication to persevere in the process of developing personal strengths and talents; the ability to know and form healthy relationships; the ability to discern right from wrong, and the confidence to make choices that enhance dignity.

### SACRAMENTAL PROGRAM

The National Catechetical Directory for Catholics of the United States says “Parents have a right and a duty to be intimately involved in preparing their children for First Eucharist. Catechesis aims to help parents grow in understanding and appreciation of the Eucharist and participate readily in catechizing their children.”

We at St. Mary’s, by taking into consideration these directives, ask all parents to take an active role in preparing their children to receive the sacraments. This is accomplished by parents doing the actual preparation for the sacrament at home as a family. In addition, children will be attending religious education classes through either a Catholic school or a religious education program. Questions regarding our sacramental program may be directed to Christina Egleston in the Family Faith Formation office, 688-0599.

**First Eucharist Mass Policy:** At St. Mary’s, we celebrate First Communion during our regularly scheduled Mass times as a parish event. First Eucharist is a sacrament of initiation. St. Mary’s parishioners welcome the children prepared to receive the Eucharist as full and participating members of our faith community. Parents are given a choice of several Masses on three consecutive weekends during the Easter season. Ideally parents should choose a Mass that they normally attend on a regular basis as a family. Everyone is given fair and equal opportunity to make Mass selections. Every family is instructed to make a first and second Mass selection choice. We try to accommodate your first choice whenever possible.

A quiet atmosphere is to be maintained in the library. Upon special request and with adult supervision, students may use the library after school.

**Participation** in after-school programs and activities requires that students maintain appropriate behavior and academic standards by assuring work completion and diligence in studies. Students whose academic achievement is compromised by incomplete work or who are not making steady progress may be exempt from participation in after school activities and electives. A first-level warning will restrict activities for a period of three weeks. Activities may be resumed when teachers indicate that effort and completion of work is at the expected level. If after three weeks, effort and completion of work have not met expectations, the student will be further exempted from the activity.

### **SAFEGUARD THE CHILDREN**

Our commitment to protect the children of St. Mary School is manifest in every aspect of our work with the students. Teachers, administrators, staff and volunteers are screened and trained to remain vigilant in assuring that every child is safe in every school setting. Our doors are locked during school hours; visitors must sign in when there is a need to be in the school; children are never left alone or unattended; safety training and awareness are incorporated into every aspect of our curriculum, empowering the children to say “no” to uncomfortable circumstances, to identify unsafe behaviors, and to feel secure in expressing their feelings. *Virtus* training is required for all teachers, coaches and individuals who interact with our school children on a regular basis, or as trip or event chaperones. Sessions are offered throughout the diocese. Scheduled workshops may be found by accessing the [www.buffalodiocese.org](http://www.buffalodiocese.org) website and selecting ***Protecting God’s Children*** in the lower left portion of the screen, then being directed to ***Workshop Registration***. Thank you for helping us to protect the children!

The Board has authority for formulating policies collaboratively with the Pastor and Principal. The board does not have responsibility for determining the amount of parish funds designated for the support of the school and has no responsibility with regard to school curriculum, staff, personnel or students.

## GENERAL SCHOOL INFORMATION

### ***Admission Standards and Requirements***

St. Mary School is a nondiscriminatory school open to all children aged 3 through 14. Although our school is neither equipped nor staffed to offer certain special education services, we have access to OT/PT/Speech services available through the Williamsville Central School District (WCSD), based upon determination of need as assessed by WCSD. Special testing for learning problems is also available through WCSD. Where special needs are identified and programs/procedures are prescribed, the faculty and administration will evaluate our ability to provide an optimal learning environment **for all children in the classroom.**

Children entering Kindergarten must be five (5) years of age by December 1<sup>st</sup>. Students will be conditionally accepted into Kindergarten with full acceptance contingent on displayed readiness during the Kindergarten screening process.

### ***Admission Interview***

All applicants will be interviewed by an administrator and/or classroom teacher prior to admission.

Final admission is based upon the following submissions to St. Mary School:

- Completed application for admission
- Interview and academic evaluation of grade-level readiness
- Approval for release of prior academic records
- Completed medical report
- Registration fee (non-refundable)

Required records include:

- Health Records
- Immunization Records
  - All students entering Saint Mary School must have current immunizations
- Birth Certificate
- Baptismal Certificate
- Report Cards
- Record of IEP/504 Plan

The Administration reserves the right to withhold admission or grade placement to any child pending the results of placement tests, visits with counselors, or the consideration of further information that may aid the Administration in considering the best interests of the child and the classroom.

### ***School Hours***

**No student may arrive before 7:30 a.m.,** when adult supervision becomes available.

Therefore, if you are bringing your child to school to drop off at the back door, please DO NOT arrive before that time. If you bring them earlier, they are unsupervised. At 7:55 a.m. we begin with prayer and announcements. Dismissal time begins at 2:15 p.m. Children being picked up must have a signed note from a parent and will go to the cafeteria to meet their driver. For early release, the parent or person designated to pick up the student must come to the office and sign the child out of school. Upon return, the parent must accompany the child to the office for sign-in. **This is for your child's safety.**

### ***How We Measure Success***

At St. Mary School, we measure success in ways that go well beyond test scores, because “success” for each and every student is more than a grade-point-average. By modeling, encouraging, and assessing the development and mastery of ***learning behaviors*** -- including self-motivation, neatness and order, responsibility, respect for the property and space of others, work for enjoyment, attentiveness in group lessons, completion of a work cycle, purposeful movement, the ability to work independently and to follow directions, sensitivity to the feelings of others, choice of challenging work, positive response to requests, and more – we help to establish those habits that will enable each child to fulfill his/her unique potential, and develop a life-long love of learning. By caring for self, caring for others, and caring for the environment, we underscore the fact that our gifts are diverse, unique, valuable, and worthy of recognition and honor. Report cards and interim progress reports reflect both numeric measures of academic performance and commentary related to each student’s mastery level, thus providing a fuller picture of the student’s effort and success.

Progress Reports or Report Cards will be withheld if tuition, library fines, cafeteria fees or sports fees/uniform returns are in arrears.

### ***Testing***

Testing and student assessment of projects, presentations and other work are an integral part of the teaching and learning process. The passing score in grades 3 – 8 is 70%.

In addition to a variety of classroom assessments, the following standardized tests are administered in the grades noted:

- Kindergarten Screening, consisting of:
  - a. Colors, shapes, pictures
  - b. Visual discrimination
  - c. Counting
  - d. Letter recognition

Parents will receive a report and suggestions for the summer.

- Grade 3: NYS English Language Arts (ELA) and Math tests
- Grade 4: NYS ELA, Math and Science tests
- Grade 5: NYS ELA and Math tests
- Grade 6: NYS ELA and Math tests
- Grade 7: NYS ELA and Math tests
- Grade 8: NYS ELA, Math and Science tests  
NYS Integrated Regents Exam (Advanced Math students)

## NYS Regents Exam in Earth Science

### ***Conferences and Progress Reports***

Classroom performance is assessed daily by teachers with respect to behavior (appropriate/inappropriate) and work effort (complete/incomplete) and may be noted in each student's agenda, on e-School Parent Portal or by way of teacher communications. The academic year is divided into three reporting units, or trimesters, with interim reports of performance in grades 3 – 8 also provided. The six performance updates throughout the year (three interim reports and three trimester reports) provide an opportunity for parents, students and teachers to work together to maximize the classroom experience for each student of at St. Mary School. Our school-wide parent/teacher conferences are scheduled as noted on the school calendar. Additional conferences and updates to meet specific concerns may be scheduled at mutually convenient times. Parents are invited to contact our teachers at any time throughout the year to schedule meetings as required.

## **PROCEDURES**

### ***Absences and Tardiness***

Please remember that tardiness is disruptive to the learning process for all the children. Tardiness and absenteeism are noted on all school records. (See Appendix E: Comprehensive Attendance Policy.)

When a student is tardy, which means the student is not in his/her designated place by the commencement of morning prayers, we require that ***parents/guardians accompany the child into school and check in through the office*** to assure that we note his/her arrival for our records. All tardiness must be documented.

In the event of an absence the parent/guardian must ***contact the school office as soon as possible*** to report the child's name, class and the approximate or anticipated duration of the absence. **Students should be fever free for 24 hours before returning to school.** Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24 hour protection of the entire school community.

We are required to maintain documentation in the form of a ***written excuse*** whenever a child returns to the classroom. Written excuses will be collected and maintained by the homeroom teacher. Parents will be contacted if an excuse is not provided upon a child's return to school.

A student returning after having a contagious disease or an illness of one week or more must have a doctor's release form stating that the student may return to school.

Students who are absent **or restricted from full participation in** school during any part of a day due to illness/**injury** or who are illegally absent during any part of a day are not allowed to participate in school-sponsored activities held that same day.

### ***After School Pick-Up***

Whenever a child is to be picked up from ***Just For Kids*** or after-school activities, parents must park and enter the school to receive their children

### ***Attendance***

New York law requires regular attendance at school for children aged 5 through 16. In order that your child receives the best education possible, we require the cooperation of parents/guardians in assuring that children attend St. Mary School with regularity and timeliness, thus enabling our students to progress consistently. We are mandated by law to report unexcused extended and/or frequent absences to Child Protective Services. Please see our Comprehensive Attendance Policy (CAP) in Appendix E.

### ***Buckley Amendment***

Saint Mary School adheres to the Buckley Amendment (Family Education Rights and Privacy Act) in regard to privacy of student records and the rights of non-custodial parents. It is the responsibility of the parents to share any official custodial information decided through the courts. Official custodial agreements will be kept in a confidential file in the office of the principal. In the absence of any court document, the school will view each parent as having full legal custody of his/her child. In the absence of a court order to the contrary, non-custodial parents have the right to receive records about their child's academic progress.

Please be advised that if a teacher is subpoenaed to testify in a child custody case, the parent will need to pay the cost of a substitute teacher and any other costs associated with the testimony (mileage, parking, food, etc.).

### ***Bus Transportation***

Bus transportation to and from school is provided by most public school districts within a fifteen mile radius of the school. Students who are eligible for bus transportation are not allowed to walk to/from school due to safety and liability. Bus requests must be made by April 1<sup>st</sup> to the respective school districts by parents.

The district Transportation Departments notifies you of the time your child will be picked up by the bus. Any questions regarding transportation should be directed to the appropriate school district at these numbers:

Akron	542-5026	Lancaster	686-3290
Amherst	362-3035	Lockport	625-9211
Clarence	407-9500	Starpoint	625-9211
Sweet Home	250-1435	Cheektowaga-Maryvale	631-7437
Williamsville	626-8390	West Seneca	677-3820

### ***Bicycles and Walkers***

Bicycles are not permitted as transportation to/from school. Walkers need a permission note from a parent or guardian which will be kept on file with the homeroom teacher.

### ***Books (Extra)***

If additional or duplicate textbooks are required for use at home, the family will be responsible for their purchase.

### ***BUZZ Newsletter, Website and Facebook***

Important home/school correspondence and our newsletter are included on the school website: [www.stmaryschoolswormville.org](http://www.stmaryschoolswormville.org). Other updates and activities are included on our school Facebook page: [www.Facebook.com/StMarySchoolSwormville](http://www.Facebook.com/StMarySchoolSwormville). We love it when you "LIKE" and "SHARE" !!

### ***Care of Personal Property***

Students are responsible for the care of school and personal property. Teachers may require certain books to be covered at all times. Folders and notebooks should be cared for, with name and class designation. If damage should occur to school property because of student negligence, the student and his/her family will be held financially responsible. The choice of repair or replacement will be at the school's discretion.

### ***Cell Phones***

Cell phones are to be used by students only after school hours, and must be “off” during the school day. Any Elementary children (Grades K-5) must stow cell phones in their backpacks, and Middle School children (Grades 6-7-8) will stow cell phones in teacher-designated locations for retrieval at the end of each day.

### ***Change of Household Information***

Please inform the office if you change your marital status, mailing/email address or phone number. It is also essential that our records be current on whom to contact in an emergency situation or when a parent cannot be reached.

### ***Cheating***

Cheating of any type will not be tolerated. Students who choose to cheat face a failing grade, detention, suspension, and/or expulsion. A student athlete or student involved in extra-curricular activities who is involved in cheating will also be unable to participate in sports/extra-curricular competition.

### ***Child Abuse Laws***

Saint Mary School abides by the Child Abuse laws of the State of New York. This law mandates that all cases of **suspected** abuse and/or neglect be reported to Child Protective Services.

### ***Communication With Teachers***

E-Mail is the preferred method of communication with teachers. When communicating with teachers via e-mail, please allow 24 hours for a response, not including weekends or holidays. We are committed to responding to parent e-mails as soon as is possible. Please feel free to copy the principal on e-mails, especially if there is an issue of concern. You may also contact the office to request a call-back from the teacher. (See Appendix A for a listing of teachers and emails.) Calls to the teacher during business hours will be returned by the next business day.

### ***Community Service***

Community service is a key aspect of our Christian ministry at St. Mary’s. Throughout the year, each classroom will participate in events that support local and global community needs. Guidelines will be established and communicated by the homeroom teacher and through the school newsletter. For an overview of the year’s activities, see Appendix G: Virtues & Service Projects.

### ***Custodial Rights***

It is the responsibility of the parents to share any official custodial information decided through the courts. Official custodial agreements will be kept in a confidential file in the office of the principal. In the absence of any court document, the school will view each parent as having full legal custody of his/her child. In the absence of a court order to the contrary, non-custodial parents have the right to receive records about their child’s academic progress or lack thereof. The school reserves the right to charge a shipping and processing fee for extra records sent to more than one home address. It is a great benefit to the child to have both parents involved in his/her education.

### ***Dismissal Time***

At dismissal time children are expected to leave the building by the parking lot doors and go directly home either by school bus or family pick-up. Any unsupervised students who remain at school after 2:30 p.m. will be sent to the ***Just For Kids*** after school program and charged accordingly.

### ***Emergency and School Closing Procedures***

When weather conditions prevent a regular school session, please watch local television stations for school closing updates. We also use the SCHOOL MESSENGER contact system to advise families via phone, text and email. **St. Mary School will close whenever the Williamsville Public Schools close for inclement weather.** All after school and evening activities will also be cancelled when a weather emergency closes the school.

For weather-related (or other) early closings, please prepare your child with a plan for going home early. Students who use the bus may need house keys. ***Just For Kids*** students' parents will be contacted.

### ***Facebook® and other Social Media Postings of Student Photographs***

Saint Mary School works to protect the confidentiality rights of all students. The Family Education Rights and Privacy Act of 1973 (FERPA) and the Child Protection Act of 2012 (CPA) were designed to protect personally identifiable information of minors. Saint Mary School adheres to these laws in its attempt to protect the privacy rights of all students. As a result, the parents of students enrolled at Saint Mary are forbidden from posting photographs taken at school sponsored events that include the images of students other than their own on their personal Facebook® page or other social media. Such postings are a violation of the Saint Mary School's adherence to FERPA and the Child Protection Act.

### ***Field Trips***

Field trips to supplement themes and classroom experiences are integral to the curriculum. Our staff will organize and guide educational trips throughout the school year.

Parents who are not "official" chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the "official" chaperones and participation by unofficial chaperones jeopardizes the protection for our students and all other "official" adults on the trip.

Parents who chaperone a field trip may not bring pre-school or school-age siblings on the field trip.

All chaperones must be 25 years of age or older.

### ***Fire Drills and Emergency Drills***

Twelve drills will be held during the year to instruct our students in the proper evacuation/lock down of the building in the event of an emergency. Other drills involving use of the AED, and weather emergencies may also take place.

### ***Homework***

Formal home-study is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich class work, and to prepare for certain lessons through various experiences.

Since each student has different capabilities and interests, it would be difficult to denote the specific amount of time to be spent on an assignment. For the average child, the consensus of educators suggests the following scale of time allotments for homework.

Grade K:	We suggest 15 minutes minimum reading time
Grade 1-2:	30 minutes
Grade 3-4:	30-45 minutes
Grade 5:	60 minutes
Grade 6 - 8:	90 minutes

Reading is always encouraged, and classroom teachers may assign reasonable reading goals for completion at home. **Please be sure to provide a quiet study space, free from distractions. If your child is experiencing difficulty understanding or completing homework within a reasonable time period, please contact his/her classroom teacher as soon as possible for review, remediation or modification.**

### ***Homework & Vacations/Planned Absences***

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

**Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignments will be given in anticipation of the vacation. Please do not ask the teacher to make an exception or offer payment for homework given in advance of an absence.**

### ***Homework and Illness***

For short absences due to illness, students should access the classroom homework website or make arrangements with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school.

Students will be allowed one day to make up homework for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work.

### ***Honors and Awards***

Each trimester, recognition for behavior, effort and performance is awarded by our classroom teachers. Based upon trimester averages, students receive academic honors as follows:

- First honors: 94.5 % and above
- Second honors: 89.5% to 94.4%
- Merit honors: 84.5% to 89.4%

### ***Insurance***

The student insurance program is provided for all full time students in Diocesan schools. This program assists only with medical expenses incurred because of accidental bodily injury sustained by students while attending school, while traveling to or from school or while participating in a school sponsored and supervised activity, including school sponsored sport and school extended day programs. School insurance covers only those costs, up to a designated limit, not covered by personal health insurance.

### ***Leaving the School Yard***

No child is to leave the schoolyard for any reason during or after school hours unless given permission and accompanied by an authorized adult.

### ***Lost and Found***

All personal items including clothing and lunch boxes should be labeled with the student's name. If an article is left at school it will be put in the lost and found bins located on the coat racks on either side of the gym.

### ***Lunch Program***

Students may pack a nutritious lunch, or select in advance from our catered options for \$2.75. St. Mary School participates in the National School Lunch Program. Free and reduced-price lunches are available for students whose family income falls within the eligible criteria established through federal guidelines. Applications for free and reduced lunches are distributed to all students during the first week of school.

When packing a lunch, please remember that red (staining) juices, soda pop, fast food lunches and glass containers are not permitted. Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with lunch monitors are in order at all times.

**St. Mary's is a "Peanut, Tree-Nut Safe and Cheese Dust Safe School" Please see Appendix C for details.**

### ***Lunch and Recess Supervision***

Only designated lunch and recess supervisors may be in the cafeteria or on the school yard during lunch and recess times. We welcome new lunch monitors who are up to date with the Protecting God's Children program.

### ***Medical***

The Department of Health requires exclusion from school for the following communicable conditions:

- ◆ Chicken Pox
- ◆ Head Lice
- ◆ Pinkeye/Conjunctivitis
- ◆ Polio
- ◆ Diphtheria
- ◆ Scarlet Fever
- ◆ Measles
- ◆ Other Strep Infections
- ◆ Mumps
- ◆ Whooping Cough (pertussis)
- ◆ German Measles

Please report these conditions to the school immediately. Because they are communicable, notification to all other potentially exposed students and their families is required by law for the purpose of containment and prevention.

### ***Medical Report***

A medical examination report signed by a physician is required for all students entering St. Mary School for the first time. Medical examination report forms are included in the registration packet and are available at the school. Physical examinations are required for all new students immediately prior to entrance to school and within 12 months of entry into Kindergarten and grades 2, 4, and 7.

### ***Medical: Immunization Requirements***

All required immunizations must be up-to-date per NYS Health Department requirements and documented by your family doctor. Complete immunization records will be required before entering school.

### ***Medical: New York State Screening Requirements***

The school nurse, who visits two half days each week, is responsible for the State screening requirements.

1. Vision and hearing testing in grades K, 1, 2, 3, 5 and 7.
2. New York Department of Education requires a physical examination be given to all students entering grades K, 2, 4 and 7.
3. All students participating in sports must have a current physical form on file in the Health Office prior to practicing or competing.

### ***Medical: Fever / Illness***

Fever is a warning that the body is fighting illness. If your child is running a fever, he/she should be kept at home and at rest until he/she has been fever-free for 24 hours. Likewise, vomiting or diarrhea require a 24-hour absence from school after cessation. In the event that a student experiences diarrhea, vomiting, or runs a fever while at school, we will contact his/her parent/guardian for pick-up as soon as possible. Children who are ill or running a fever **will not be allowed to participate in school events or after-school activities**.

### **Medication**

When prescription or over-the-counter medicine must be administered during school hours the following procedures must be followed:

- ◆ A copy of the doctor's orders or prescription information must be provided to the school administration and to the nurse's office. The type and purpose of the medication must be clearly stated on the original container or box.
- ◆ Directions for administration (time/frequency/dose) are to be clearly stated and understood.
- ◆ All medications are to be kept in a designated area. Rescue medications (inhalers/epi-pens/etc.) may be held by the student with proper authorization from the physician..
- ◆ The teacher, nurse or administrator must dispense and record the appropriate administration of the medication.
- ◆ All medication must be brought to school and picked up at the end of the year by the parent/guardian.

### **Off-Campus Conduct**

The administration of Saint Mary School reserves the right to discipline its students for off-campus behavior that is not in line with behavior expectations of its students during the course of the school day. This off campus behavior includes, but is not limited to cyber-bullying.

### **Office Records**

Parents/Guardians are requested to notify the School Office in writing of any change of address, custody, home telephone numbers, cell phone numbers, business phone numbers, e-mail addresses and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date.

### **Online Blogs**

Engagement in online blogs such as, but not limited to Facebook®, Instagram®, etc. may result in disciplinary actions if the content of the student's or parent's blogs include defamatory comments regarding the school, the faculty, other students or the parish.

No parent should open a Facebook® account under the name of the school or a particular grade or organization. The only official Saint Mary Facebook® page is the one created and monitored by the Saint Mary Faith Community.

### ***Peanut/Tree Nut and Cheese Dust Safe School***

Please see Appendix C for our Peanut Nut/Tree Nut/Cheese Dust Safe Policy.

### ***Plagiarism***

Please see Appendix B: Plagiarism, for the school plagiarism policy.

### ***Publicity Release Form***

Throughout the school year there will be numerous occasions when we will be contacting local media outlets (newspapers, television stations, radio stations) in the hope of getting coverage for a school event. We also hope to use some of the pictures that we take during the year on our Website or the diocesan Catholic schools Website. Please be sure to complete a Publicity Release Form annually.

### ***Promotion Policy/Retention Policy***

Advancement to the next grade in Saint Mary School is based on a student's daily performance, test results, recommendations of teachers, and the student's ability to complete work successfully on a more advanced level.

Promotion to the next grade depends on successful completion of all subject areas. The Administration may recommend the repetition of a grade, tutoring, or summer school classes as requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next grade.

### ***School Calendar***

Our school calendar is compiled each summer and distributed/updated throughout the year on the school website.

### ***School Property***

The parent of a child who carelessly destroys or damages any furniture, equipment (including sports equipment and uniforms), textbooks, library books, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks must have a proper book cover. No writing in non-consumable textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented.

### ***School Safety***

Saint Mary School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (**seriously or in jest or online**) face detention, suspension, and/or expulsion.

Harassment of any type is not tolerated. The Principal investigates all complaints of harassment. Students involved in harassing behavior face **disciplinary action**, detention, suspension, and/or expulsion.

In the event that the school suspects danger to a student or the school community, the school reserves the right to call the police.

### **Search**

The school reserves the right to search anything brought on school property. This includes cell phones and other electronic devices.

### **Sexting**

Students involved in possession or transmission of inappropriate photos on their cell phones or other electronic devices face suspension and/or expulsion. In accordance with the law, the State Police Department will be notified.

### **Smoking**

Smoking of any type is not allowed on campus. This includes the use of e-cigarettes. Cigars, cigarettes, pipes, tobacco or any type, marijuana, e-cigarettes, or vapors are not permitted on campus.

### **Sports**

The purpose of the athletic program at the elementary level is to complement the development of the “whole person”. Our after-school sports program provides opportunities to develop skills in sports and sportsmanship, beginning with seasonal sports for boys and girls. The fee for participation in each sport is \$35 per student for the 2017-2018 school year. Please see Appendix D: Sports Code of Ethics, for expectations.

### **Student Directory**

Within the first month of the school year, each family receives a Student Directory listing students’ and parents’ names, addresses, home telephone numbers, and e-mail addresses. Under the laws of FERPA, parents may choose to exclude any personal contact information from the Student Directory.

The Student Directory should be used to acquaint parents with the names of their children(s) classmates and parents. These directories must not be **used** or **sold** for other purposes.

### **Student Records**

Saint Mary School adheres to the Buckley Amendment (Family Education Rights and Privacy) regarding access to student records. Records of students transferring to other schools will only be sent directly to the new school district. No records will be given to parents to transport to the new school.

Students requesting records/transcripts/recommendations must make a five school-day request to the School Office. All forms should be submitted to the Saint Mary School Office for distribution. **No records will be sent to transferring schools of students whose financial commitment is in arrears.**

### ***Student Release During School Hours***

So that we may account for all children during the regular school day, we require that early dismissals be authorized in writing by the parent/guardian. Parents/guardians who wish to pick up their child(ren) early are required to check in at the school office.

***Because mornings are concentrated core curriculum times, we urge parents to make doctors' and other appointments after school or in the late afternoon.***

### ***Student Threats***

Saint Mary School takes threats seriously. Any student who threatens violence against another student, a teacher, the school or any individual associated with the school will be referred to local authorities. The student will be immediately suspended by the principal, and an evaluation of the student will be mandated. The possibility of the student's re-admittance to school will be predicated upon a number of things, to include, but not limited to: a mental or psychological evaluation by a professional, an evaluation by the district Committee on Special Evaluation and possible prescription of an Individual Education Plan. The administrator also reserves the right to transfer the student out of the school.

### ***Technology Concerns***

See Appendix F: Telecommunications Use Agreement.

**Blogs:** Engagement in online blogs such as, but not limited to Facebook®, etc. may result in disciplinary actions (including expulsion) if the content of the student's or parent's blog includes defamatory comments regarding the school, the faculty, other students or the parish. Parents should refrain from creating a class/grade Facebook® page without the written authorization of the principal. Negative or defamatory comments about the school, the faculty, other students, or the parish made on a student's or parent's Facebook® page may result in the children of the parent being separated from the school.

**Chromebooks and Electronic Devices:** Electronic readers and other devices that can access books, periodicals, magazines, and other electronic media are to be used responsibly. Devices such as iPads and Chromebooks are quickly becoming ubiquitous in our digital culture and they simply cannot be ignored. Saint Mary School, in striving to maintain technological relevance in education, is providing the opportunity for students to use these devices in accordance with our Technology Acceptable Use Policy. This opportunity is a privilege that requires extra caution and responsibility both on the part of the students and their parents.

#### **Technology Acceptable Use Policy:**

The wide variety of hardware and software capabilities of available devices makes them challenging to monitor and control in a school environment in contrast with school owned technology assets like computers, etc. Therefore, our Technology Acceptable Use Policy needs to be specific and clear. A student who violates any portion of the Technology Acceptable Use Policy may immediately lose the privilege to use devices at school for a length of time commensurate with the nature of the violation.

1. All personal devices must be registered with the Saint Mary's Technology teacher and accompanied by the Telecommunications Use Agreement Form signed both by the parents and the student (Please see Appendix F).
2. All devices are to be used **only** to access school approved material and not for other purposes such as unauthorized communication, entertainment, music, gaming, etc.

3. All material on the devices must comply with the spirit and policies of Saint Mary School as detailed in this handbook.
4. Devices must be used at appropriate times in accordance with teacher instructions. The device must not be a distraction for the student or those around him/her nor be a source of any classroom disruption.
5. Devices are not to be used during lunch, or during playground/recess time, **or after school activities other than during the supervised Academic Hour.**

### **Telephone**

Permission to use the telephone must be obtained from the school secretary. The office phone is a business phone and students are permitted to use it only in case of an emergency. Forgotten homework, athletic equipment, etc. do not constitute emergencies. Arrangements for after-school visits with friends should be made at home.

### **Telephone Use/ Cell Phones/Electronics/Personal Items**

Toys, games and other personal belongings such as money (in excess of \$5) do not belong at school. It is understood that cell phones are an important communication link between children and their families, especially in times of emergency. Students' cell phones **must** be turned off during the school day, and stowed in the student's back pack or in teacher-designated areas. They are not to be used without permission from the office or a teacher. Failure to comply will result in confiscation and a call home. iPods and other electronic games should be left at home, unless specifically approved by the classroom teacher. If unauthorized devices are found in use during the school day, they will be confiscated. St. Mary's will not assume responsibility for any lost or stolen electronic devices.

### **Texting**

Students should at no time be involved in texting during the course of the school day. Students involved in texting at school face disciplinary action.

### **Vacations**

Continuity in the school year affects each child's educational success. It is expected that students will be in class during all regular sessions. Please plan your vacations to coincide with our school calendar. Completion of curricula and assignments missed as a result of voluntary absences is the sole responsibility of the student. Teachers are not required to provide work in advance of a vacation while school is in session.

### **Virtual Reality Sites**

Virtual Reality Sites such as, but not limited to, [www.there.com](http://www.there.com)® and [www.secondlife.com](http://www.secondlife.com)®, etc. pose a developmental and moral risk to the life of a student. Parents are cautioned to be aware of the online sites visited by their children, knowing that often predators are not living in a neighborhood, but within the home via a computer. Students or parents whose avatars depict other students, teachers, or parish staff in a defamatory light face detention, suspension, or expulsion.

### **Visits/Observations**

Parents/guardians are always welcome to visit and observe our classrooms. We encourage you to visit or view not only your child's current classroom, but also the

classrooms to which he/she will advance over the coming years. Please contact the office to schedule a time that will not conflict with planned activities. On the day of your visit, please check in at the office prior to visiting the classroom. At all levels, we ask that you become a silent observer in the room so as not to interrupt the flow of the classroom.

### ***Visiting Friends After School***

A student going to a friend's home after school must have permission from his/her parent as well as the parent of the friend. Parents must write a simple note that the child has permission to visit a friend or have a guest. Transportation laws do not permit students to be transported anywhere but home. Therefore, students must be picked up by a parent.

### ***Volunteers***

School volunteers must come to the main office. For safety and security reasons, each person is required to sign in at the office when he/she enters the building for any reason. All visitors and/or volunteers are required to wear a designated badge that may be picked up in the office. Visitors and/or volunteers are to sign out at the time of departure. Visitors may be asked to show identification in the form of a driver's license or other government issued identification.

Parents who volunteer **may not drop in to a classroom to see their child** during the day. This is an interruption to the teacher and to the educational process.

### ***Weather Emergencies***

If it should be necessary to close the school because of weather conditions, an announcement will be made over local television stations and a message will be sent to the home phone, cell phone, and e-mail account listed on a student's file via the SCHOOL MESSENGER® system.

## EXPECTATIONS AND STANDARDS

### **Dress Code**

At school, being “in uniform” means more than simply wearing the designated St. Mary’s clothing and shoes. Emphasis is placed upon neatness, cleanliness, appropriateness and comfort for work at school. Clothing should be sized right to fit, without holes, neither faded, graying, frayed, nor worn inside out.

St. Mary School students are expected to adhere to the uniform and grooming code at all times **when in the building, during and immediately after school, and for clubs**. Notes must be submitted to explain exceptions. Fads and other current philosophical statements made through clothing, jewelry, hair styles etc. are not allowed.

The school uniform is required on all regular school days **and while at after-school activities**. It includes the uniform clothing provided by *Flynn & O’Hara*. Special non-uniform dress days will be designated every month for charitable collections.

### **Hair, Nails and Jewelry**

All hair must be clean, neatly styled and secured in such a manner that it will not fall in the eyes and face. **Make-up and nail polish may not be worn**. Jewelry, if worn, must be simple and not excessive in amount.

All boys must have a boy’s regular haircut, and present a clean-cut and neat appearance. Hair must be above the collar in the back and above the top of the ear. Hair must be out of the eyes and clean. Boys are not to wear earrings or body piercing ornamentation at any time. The administration of St. Mary School reserves the right to determine the appropriateness of clothing, hair cut, hair style and jewelry, and to restrict anything that is deemed to be distracting or inappropriate.

Girls may only wear stud earrings, one in each ear lobe. All jewelry must blend with the uniform and be appropriate for school. Body piercing ornamentation other than studs in single-pierced ear lobes is not allowed. Skirt length may not be shorter than two inches above the knee. ### ***Dress Up/ Dress Down***

At various times throughout the school year we designate a “dress-up” or “dress-down” day. Additionally, St. Mary’s provides “Free Dress” days to celebrate or promote special events. Once again, emphasis is placed upon neatness, cleanliness, appropriateness (**no political or inappropriate slogans or graphics, or tight fitting clothing**) and comfort for work at school. As a general guide, non-uniform attire should provide the same body coverage as that provided by uniforms! ***If it doesn’t show on a uniform day, it shouldn’t show on a dress up/dress down day!*** Clothing should be sized right to fit, without holes, neither faded nor frayed, nor worn inside out. Inappropriate logos/graphics/sayings are not allowed. Please be sure that socks come above the ankle and closed-toe shoes are worn. Shoes worn on free dress days must be appropriate for play yard activities. Socks or tights must be worn. As always, the administration of St. Mary School reserves the right to determine the appropriateness of clothing, and will contact parents if a student’s dress does not meet these guidelines.

**St. Mary School reserves the right to determine the appropriateness of clothing, hair cut, hair style and jewelry, and to restrict any manifestation thereof deemed to be distracting or inappropriate both inside and outside the school building.**

## CODE OF CONDUCT

Our Code of Conduct is based upon *respect for self, respect for others and respect for the environment*. See Appendix D for details. By establishing high expectations for appropriate behavior, we help our students develop a positive self-image that assures a healthy sense of self-esteem and self-worth; the courage to make mistakes and the dedication to persevere in the process of developing personal strengths and talents; the ability to know and form healthy relationships; the ability to discern right from wrong, and the confidence to make choices that enhance dignity

### ***Parent/Guardian Responsibilities***

Each St. Mary's parent/guardian is expected to:

- ◆ support and maintain the Christian and educational standards of St. Mary School.
- ◆ communicate and work in cooperation with the faculty, staff and administration of the school.
- ◆ participate actively in achieving the mission and promoting the ongoing vision of the school.
- ◆ attend St. Mary's all-school meetings and parent-teacher conferences.
- ◆ support and promote the rules of the classroom and the rules of the school.
- ◆ support classroom programs, trips, activities and assignments.
- ◆ communicate with teachers when questions arise concerning classroom activities.
- ◆ be an ambassador of Saint Mary School, promoting its growth.

### ***Parent-Teacher Communications***

Clear and frequent communication between teachers and parents/guardians is the best formula for educational success, and we strongly encourage our parents/guardians to communicate with your child's teacher often. When addressing specific concerns the following steps should be taken in this order:

- 1) **Contact the teacher.** Schedule a time when you and your child's teacher can sit down and give the issue your undivided attention. Working in a spirit of cooperation will enable all parties to more fully support the student. Define the circumstances that will constitute a satisfactory resolution. Please schedule follow-up meetings, periodic written feedback or phone contact through the school. Each teacher has a St. Mary School e-mail address for use by parents. We are committed to responding to your emails within 24 hours, with the exception of weekends and holidays.  
**See Appendix A for details.**
- 2) **Access the Parent Portal.** To stay up to date with your child's progress, be sure to access the e-School Parent Portal.
- 3) **Contact the Principal.** If necessary, contact the principal to discuss the history of a problem, or extraordinary needs that require the principal's attention.

### ***Student Responsibilities***

Each student of St. Mary School is expected to:

- ◆ support and maintain the standards of the school outlined in this handbook
- ◆ work to his/her best ability
- ◆ follow classroom expectations and rules
- ◆ respect others
- ◆ respect our school including its classrooms and grounds
- ◆ respect the environment and our natural resources

The administration reserves the right to deny continued access to a classroom based upon ongoing disruption or disturbance.

### ***Conduct on School Buses***

When riding on the school bus, the student is responsible to comply with all of the rules and regulations established by the public school district providing the transportation. In addition, the school may impose a penalty on a student after receiving a report of misbehavior from a representative of the public school district's transportation department.

When riding in school buses, or vehicles owned or rented by the school, all students must follow Saint Mary's School's discipline policies and Code of Conduct.

### ***Conduct on Class Trips, Field Trips and School-Related Events Off School Property***

While participating in class trips, field trips and school-related events off school property, all students must follow St. Mary School's discipline policies and Code of Conduct. Students may be disciplined for misconduct that is not committed on school property or at a school function if, in the professional opinion of the school administration, such a misconduct 1) is a violation of civil or criminal law, 2) reflects poorly upon or discredits the reputation of St. Mary School, 3) threatens the health, safety or welfare of a student, teacher or any other member of the school, 4) is contrary to the moral, religious or orthodox principles of the Roman Catholic Church or the philosophy, policies, goals and commitments of St. Mary School, 5) is likely to interfere with a positive educational environment, or 6) constitutes sexual or other forms of harassment.

## ***Discipline***

Each student is a unique individual with unique personal, social and educational needs. As a result, every disciplinary situation becomes unique in nature. Our school staff dedicates itself to following a set of core beliefs that provide a guide for dealing with student discipline. These core beliefs guide our efforts to individualize disciplinary procedures and to help students see reasonable connections between their behaviors and the resulting consequences. These core beliefs drive our disciplinary policy:

Every attempt will be made to maintain the dignity and self-respect of both the student and the teacher. Students will be guided and expected to solve their problems, or the ones they create, without creating problems for anyone else.

Students will be given opportunities to make decisions and live with the consequences, be they good or bad.

Discipline is an aspect of moral guidance and not a form of punishment. The purpose of discipline is to provide a school climate conducive to learning and one that promotes character development.

Discipline is maintained in a classroom or school when students work cooperatively with the principal, the teachers, and their classmates towards the attainment of the class and school objectives. However, it should be noted that the legitimate interest of the school extends beyond the school day and beyond the school hours.

### ***Disciplinary Policy***

St. Mary School follows a principle-based approach to discipline. Behavioral expectations are made clear to students and their parents through verbal and written communication. In some instances specific rules exist, as in the case of our dress code. Where a detailed rule in support of a recognized code or principle of acceptable conduct does not exist, St. Mary School and its representatives reserve the right to determine the appropriateness of a student's behavior and consequences thereof. Any circumstance disruptive to the educational process or which presents a hazard to the health or safety of staff or students will not be tolerated and will result in disciplinary action. Disciplinary actions may include suspension and/or expulsion. St. Mary School fully supports the rules set forth in the State of New York licensing rules for school and childcare centers.

### ***Classroom Disciplinary Procedures: Conflict Resolution***

St. Mary School believes in a positive approach to discipline in the classrooms, emphasizing the reinforcement of good behavior and the redirection of unacceptable behavior. When students disagree, conflict resolution techniques are used.

### ***Correcting Student Behavior***

It is our goal as educators to guide our students in self-control, responsibility and accountability. In most instances, a visual reminder or word is sufficient to redirect a student to appropriate behavior and choices with no further follow-up. When teachers perceive lack of self-governance, a note in the daily student planner may designate behavior as "inappropriate". If reminders are insufficient, physical relocation of the student may be warranted to prevent disruption of the learning process. A "think slip"

requiring student introspection, amends and parental notification may also be required at the discretion of the classroom teacher. Multiple “think slips” will precipitate a meeting with parents to discuss the nature of the problem and how best to address it. In the case of an egregious infraction, as determined by faculty members in consultation with administration, the student may be removed from the classroom with an immediate call to parents. In all instances, faculty and administration endeavor to deal and accommodate the uniqueness of individual student’s circumstances.

Our policy for dealing with discipline problems not readily handled at the classroom level is as follows:

- ◆ Communicate with parents/guardians to enlist their involvement, obtain relevant information, or update them on specific issues.
- ◆ Commit to follow through in establishing and assuring achievement of goals for improvement,
- ◆ When needed, recommend or refer the student/family to an appropriate professional organization for continuing evaluation.
- ◆ Review and evaluate the progress of the student and determine the most appropriate placement for the student.

The administration reserves the right to deny continued access to a classroom based upon ongoing disruption or disturbance.

### ***Conditions of Lunch Detention***

Lunch detention may be imposed as a consequence for incomplete homework, classroom disruption, or other circumstance, when a teacher or administrator determines that it is warranted. Lunch detention is a quiet lunch and recess period under the supervision of a classroom teacher.

### ***Conditions of Suspension***

Any of the reasons listed for expulsion where mitigating circumstances exist may be adequate cause for suspension of a student.

- No student shall be suspended from an elementary school for more than two consecutive weeks.
- Notice of suspension must be given to the parents/guardians by telephone or in a conference.
- The principal shall schedule a conference with the suspended student’s parents/guardians to discuss matters pertinent to the suspension especially the means by which the parents/guardians and the school can cooperatively encourage the student to improve behavior. The suspended student may be present at the conference.
- In no case will a teacher on his/her own authority suspend a student.

### ***Expulsion***

Reasons for expulsion are, but are not limited to, the following offenses committed by students:

- Actions gravely detrimental to the moral and spiritual welfare of other students.
- Habitual profanity or vulgarity.
- Assault, battery or any threat of force or violence directed toward any school personnel or student.
- Bullying or harassing school personnel or other students.
- Open, persistent defiance of the authority of the teacher.
- Continued willful disobedience.
- Use, sale or possession of alcohol, narcotics, drugs or any other controlled substance.
- Use, sale, distribution, or possession of any alcoholic beverages on or near school premises.
- Smoking or having tobacco.
- Stealing
- Forging signatures
- Cheating or plagiarism (see Appendix B)
- Willful cutting, defacing or otherwise injuring in any way property, real or personal belonging to the school.
- Habitual truancy
- Possession of harmful weapons (e.g., knives, guns, etc.) or materials that can be used as weapons.
- Membership in, active involvement in, or affiliation with a gang or group responsible for coercive or violent activity.
- Actions in or out of school which are detrimental to the school's reputation.
- Violation of the Electronic Communications Policy policies and guidelines.
- Inappropriate conduct or behavior unbecoming a student in a Catholic school.

### ***Procedure for Expulsion***

When the reasons for expulsion are purely disciplinary, i.e., when serious moral reasons are not involved, the following steps must be taken:

- A conference must be held with the parents/guardians, student, teacher, and principal present to advise the family that serious action is contemplated unless there is immediate improvement in behavior. The pastor will be notified of the conference, given an opportunity to attend and provided a report of the discussion.
- If there is no improvement in behavior, the final decision will be announced at a second conference attended by the principal, teacher, pastor and parents/guardians. If the parents fail, without cause, to attend the conference, the pastor, principal, and teacher will reach a final decision. The final decision rests with the pastor in consultation with the principal.
- In no case will a teacher on his/her own authority expel a student.
- Full credit will be given for all work accomplished by the student up to the moment of expulsion.

### ***Cases Involving Grave Offenses***

- In cases involving grave offenses, which may include a violation of criminal law or actions so outrageous as to shock the conscience or behavior of the community, the student is immediately suspended and the initial parent-principal conference is dispensed with.
- The procedure involving cases of grave offenses should be followed when the continued presence of the student at school (even for a short period of time) will, in the reasonable judgment of the principal, pose a serious threat to the health and welfare of another student or students, or faculty members.
- When immediate suspension is imposed, with probable expulsion, while the case is being investigated, the rules and the consequences of the violation should be clearly explained to the student and parents/guardians.

### ***Time of Expulsion***

- An expulsion may be made immediately if the reasons are urgent.
- Only in exceptional cases shall expulsion of an eighth grade student who has been in the school one or more years be allowed.
- If an expulsion is to take place during the last quarter of the school year or during the last semester in the case of an eighth grade student, prior approval of the Department of Catholic Schools is required before the expulsion can take effect.
- If such action is contemplated, approval shall be obtained before the announcement of the final decision to the parents at the meeting described below.

### ***Reporting of Expulsions***

- All expulsions even if they occur at the end of the year, are to be reported by telephone to the superintendent at the Department of Catholic Schools within twenty-four hours.
- The attendance office of the local public school district shall be notified immediately of expulsions. A copy of the *Cumulative Student Record* should be held until requested.

### ***Right to Make Exceptions***

The principal, in consultation with the pastor, retains the right to make exceptions in cases where mitigating circumstances call for a different response than policy suggests.

## **HARASSMENT, BULLYING AND HAZING POLICY**

Saint Mary School is committed to provide a safe and comfortable learning environment that respects Christian values and is free from harassment, bullying or hazing in any form. Harassment, bullying or hazing of any student by any other student, lay employee, religious, clergy, or school volunteer is prohibited. The school will treat allegations of any such conduct seriously and will review and investigate such allegations in a prompt, confidential and thorough manner. This policy shall be communicated clearly to faculty, staff, volunteers, parents, guardians, and students.

Substantiated acts of harassment, bullying or hazing by a student will result in disciplinary action up to and including dismissal of the student. Students found to have filed false or frivolous charges will also be subject to disciplinary action up to and including dismissal. For students in grades K-3, this disciplinary action shall depend on the maturity of the students and the circumstances involved. For students in grades 4 through 8, the disciplinary action may include suspension or dismissal.

**Harassment** occurs when an individual is subjected to treatment in a school environment that is hostile or intimidating based upon a legally protected class, such as race, sex, ethnic origin or religion. It includes, but is not limited to, any or all of the following:

- Verbal harassment: Derogatory comments and jokes; threatening words spoken to another person.
- Physical harassment: Unwanted physical touching, contact, assault, deliberate impending or blocking movements, or any intimidating interference with normal work or movement.
- Visual harassment: Derogatory, demeaning or inflammatory posters, cartoons, written words, drawings, and gestures.
- Sexual harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

**Bullying** is the habitual harassing, intimidating, tormenting, browbeating, humiliating, terrorizing, oppressing and/or threatening of another person. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing that are initiated by one or more students against a victim or victims. In addition to direct attacks, bullying may also be indirect, such as spreading rumors that cause victims to be socially isolated through intentional exclusion. Whether the bullying is direct or indirect, the key component of bullying is physical or psychological intimidation that occurs repeatedly over time to create an ongoing pattern of harassment and abuse.

**Cyber Bullying** occurs when students bully each other using the Internet, mobile phones or other cyber technology. This can include, but is not limited to:

- Sending inappropriate text, e-mail, or instant messages.
- Posting inappropriate pictures or messages about others in blogs or on Web sites.
- Using someone else's user name to spread rumors or lies about someone.

**Hazing** is any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in with respect to these organizations which

causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any student or other person.

It is the responsibility of the school to:

- Establish practices and provide staff development training and age-appropriate information for students, designed to create a school environment free from discrimination, intimidation or harassment.
- Make all faculty, staff, students, parents/guardians, and volunteers aware of this policy and the commitment of the school toward its strict enforcement
- Remain watchful for conditions that create or may lead to a hostile offensive school environment.

It is the student's responsibility to:

- Conduct himself or herself in a manner that contributes to a positive school environment.
- Avoid any activity that may be considered discriminatory, intimidating, harassing, bullying or hazing.
- If possible, inform the other person(s) that the behavior is offensive and unwelcome.
- Report all incidents of discrimination, harassment, bullying or hazing to the principal or teacher.
- As deemed appropriate, complete a formal, written complaint which will be investigated thoroughly and will involve only the necessary parties. Confidentiality will be maintained as much as possible.

All threats by students to inflict serious harm to self or others, or to destroy property, will be taken seriously. Whoever hears or becomes aware of any threat made by a student should immediately report it to the pastor, principal, or a teacher. The principal will notify the police and the Department of Catholic Schools immediately.

The student who has made the threat will be kept in the school office under supervision until the police arrive. The parents/guardians of the student who has made the threat will be notified. Any adult or student who has been identified as the potential victim, or mentioned in writing as a potential victim, will be notified immediately.

The student who has made the threat will be suspended until the investigation by the police and school has been completed.

The decision to re-admit a student who has made a threat will be made by the principal and pastor on a case-by-case basis.

Practical jokes or offhand comments of a threatening nature will be taken seriously and will be investigated. The police may be notified and these actions may result in suspension or removal of a student from school.

### ***School Searches***

Students' legitimate expectations of privacy in their person and in the personal effects they bring to school must be balanced against the obligation of the school to maintain discipline and to provide a safe environment for the school community. Accordingly, school officials may conduct a search of the student's person and personal effects based on a **reasonable suspicion** that the search will disclose evidence that the student is violating or has violated the law or a school rule.

School officials do not need a warrant or a parent's permission to conduct a search of the student and/or the school's or a student's personal property, as long as they have a reasonable suspicion that a law or school rule is being or has been violated. Whenever a school principal conducts a search of a student's person or personal effects, an adult witness shall be present.

Students do not own their lockers or other school property. Lockers are made available to the student by the school. The student does have some expectation of privacy in his/her locker from other students. However, a student may not exclude school officials if the school official has a reasonable suspicion that a law or school rule has been violated.

A student has a greater expectation of privacy concerning his/her backpack, purse, clothing and other personal effects. A school official who finds it necessary to conduct a search of a student's backpack, purse, clothing or personal effects, must have a reasonable suspicion that the student is violating or has violated a law or school rule. The student's parents shall be notified of any such search.

An alert from a trained and certified detector dog is sufficient to allow the school official to have a reasonable suspicion and to conduct a warrantless search of the student's locker, or his/her personal property and effects. In addition to this policy on searches by the school, every student is subject to the diocesan and school use and privacy policies concerning cell phones and other electronic devices, whether the devices belong to the school or to the student.

If a student refuses to cooperate in a reasonable search of the school or student property (including electronic devices), the student's parents and/or the police may be called for assistance or referral.

In the event that any items belonging to a student are confiscated, the principal shall document that fact and, when possible, take a photograph of the place where the confiscated object was found and of the object itself. It is also recommended that the school obtain a signature from the student acknowledging that the item was in his or her possession at the time it was found.

### ***Abuse of Teacher or Administrator***

The school philosophy supports the school and home as a unit working together for the good of every child.

- Any parent, guardian, or other person who upbraids, insults, or abuses any teacher/administrator of the school, in the presence or hearing of a pupil, is guilty of a misdemeanor.
- Any parent, guardian, or other person who insults or abuses any teacher/administrator in the presence of other school personnel or pupils and at a place which is on school premises or public sidewalks, streets, or other public ways adjacent to school premises or at some other place if the teacher is required to be at such place in connection with assigned school activities is guilty of a misdemeanor.

### ***Recommended Transfer of Child***

Under normal circumstances, a pupil is not to be deprived of a Catholic education on grounds relating to the attitude or actions of parents/guardians. It is recognized, however, that a situation could arise in which the uncooperative or disruptive attitude of a parent/guardian might so diminish the effectiveness of the educational process that continued matriculation in the school may be impossible. Where parental/guardian interactions with the faculty, staff, students or administration are deemed inappropriate or detrimental to the work of the school, St. Mary School reserves the right to deny continued matriculation.

## **PARENT/STUDENT COMPLAINT REVIEW PROCESS**

Concern for the dignity and rights of each person are intrinsic to the Church's mission as a true witness to the spirit of the Gospel. Circumstances may give rise to conflicts among students, parents and school staff. All parties are encouraged to use every available means to resolve these conflicts when they occur. However, if the involved parties are unable to resolve their conflicts, families may use the Parent/Student Complaint Review Process for additional assistance. All those participating in the Complaint Review Process are responsible to strive toward reconciliation and act in good faith. Legal representation is not permitted during the Complaint Review Process. Any person filing a complaint is to be free from restraint, coercion, discrimination, or reprisal in any form.

### School Level

The person bringing the complaint is encouraged to try to resolve the complaint by discussing it with the persons directly involved. If resolution is not achieved, the complaint should be discussed with the principal (or the pastor, if the principal is the subject of the complaint). For elementary schools, if the principal is unable to resolve the conflict, the principal will bring the pastor into the process as appropriate. After reviewing the facts and facilitating discussion of the problem the principal will respond to the person bringing the complaint.

### Department of Catholic Schools Level

If the complaint is not resolved at the school or parish level, the complaint may be submitted in writing to the supervisor at the Department of Catholic Schools, outlining the concerns and reviewing the local process.

The supervisor will review the complaint (with such consultation as may be appropriate) in a timely fashion and will endeavor to mediate and resolve the matter. However, if no agreement can be reached, the supervisor will make a final determination concerning the resolution of the complaint, based on the application of diocesan and school policies and/or regulations, and communicate that determination, which will be final and binding, in writing to all parties.

## APPENDIX – B:

### ST. MARY SCHOOL PLAGIARISM POLICY

As defined by Webster's Dictionary:

**Plagiarize v.** **1.** To steal and use (the ideas or writings of another) as one's own. **2.** To take passages or ideas from and use them as one's own. **Syns.** Plagiarize, crib, pirate

**At Saint Mary School, we believe copying work from another person or source (ex. Book, internet, magazine, etc.) is plagiarism.**

When researching a topic, students should reword phrases from the article into their own words. Any phrase copied directly, word-for-word, must be put in quotation marks and cited as a resource.

**Using an author's words as your own is cheating.**

Copying someone else's homework is cheating too. Some students believe that working together on homework is acceptable. However, written assignments are given to help each student learn the information and practice writing skills. Reading the textbook or completing an assignment helps students by reinforcing the concepts learned in class. Doing math problems helps students learn how to apply a math strategy.

**Unless specifically directed by a teacher, students are to complete homework assignments independently** (with assistance from parents, if necessary.)

In class, collaborating is hard work. When directed by the teacher, students may work in cooperative groups. For each group, guidelines are set for student work that is to be turned in and working together can be a positive, strong learning experience. Collaborating does not mean, "You do the first answer, I'll do the second, and then we will exchange answers." Collaboration and cooperation mean that students need to discuss ideas and come up with mutually agreed upon responses.

**Simply taking another student's answers to present as your own is cheating.**

At St. Mary's, plagiarism could result in detention, suspension, and/or academic consequences. **ALL** students have been informed of these consequences. Parents, please discuss this policy with your children at home and remind them of what plagiarism involves and why it does not help them learn.

*Thank you for your help. By being partners, the school and the home can continue to educate the minds of our children and help them be responsible, good people, too.*

## **APPENDIX – C:**

### **Saint Mary School is a PEANUT, TREE-NUT AND CHEESE DUST SAFE SCHOOL**

#### **What Does this Mean?**

Some students at our school have life-threatening allergies to peanuts, tree nuts and cheese dust (found in Cheetos, Doritos, Goldfish, Cheesy Popcorn, etc.). Their homerooms are thus designated “PEANUT AND TREE-NUT FREE” or “CHEESE DUST FREE” and no peanut or tree-nut or cheese dust bearing snacks are allowed in these rooms at any time. Teachers, parents, and students are instructed in snack restrictions, and in many cases, teachers will take responsibility for distributing nut-free and cheese dust free snacks prepared for the entire classroom.

Outside the homeroom, those with allergies will be assigned seats and keyboards that are sanitized before they commence work.

In the Lunch Room, a table designated “PEANUT AND TREE-NUT FREE” will be provided and table top and seats wiped down prior to/and after use. Unless excused with a written statement from the student’s doctor, this is the assigned table for all students with peanut/tree-nut allergies. Students may bring a guest to the table if their lunch has been checked and found to be nut-free by the classroom teacher. For our cheese dust allergies, designated tables are not required.

Color-coded lunch trays for those with food allergies are used and washed/stacked separately from other lunch trays, and peanut/nut snacks have been eliminated.

After lunch/recess, students will wash hands to reduce the possibility of contamination back in the classroom.

Students may opt to keep epi-pens in the nurse’s office, or wear them on their person at all times (or both).

#### **Parent Responsibilities**

If your child has a food or contact allergy, please be sure that our nurse on staff is notified and that all appropriate prescriptions are made available to her and where necessary, to your child.

#### **Are Peanut/Nut/Cheese Dust Products Allowed in School?**

Yes. Peanut and nut products, and Cheese Dust products **are** allowed in school in contained lunch boxes and may be purchased through the school lunch program, but are not allowed as snacks in those homerooms designated PEANUT FREE /TREE NUT FREE/CHEESE DUST FREE. Students may still enjoy their nut-containing sandwiches, Cheetos, Doritos, Goldfish, etc. and desserts at their tables in the lunchroom. Parents are always welcome to review the ingredients used, along with the methods of preparation, for our school lunch program. We encourage all parents and students to become aware of the need for hand washing after eating to minimize the risk of residual exposure to those who are allergic to nuts.

Working together, we can assure the safety of all, while providing choice in food selections. For a listing of safe products, go to <https://snacksafely.com/safe-snack-guide/>.

## **APPENDIX - E:**

### **COMPREHENSIVE STUDENT ATTENDANCE POLICY**

#### **Statement of Overall Objectives**

**Saint Mary's School** is committed to providing students the opportunity to attend a safe and orderly school environment where they will receive a quality educational program. School attendance is both a right and a responsibility. The school is an active partner with students and parents in the task of ensuring that all students meet or exceed New York State Common Core Learning Standards. Because the school recognizes that consistent school attendance, academic success, and school completion have a positive correlation, the school has developed, reviewed, and if necessary, will revise the Comprehensive Student Attendance Policy to meet the following objectives. The school has made the commitment to:

- Maintain adequate attendance records, in accordance with New York State Education Department guidelines of its school-age pupils, K-8, in order to ensure that each student maximizes achievement of academic standards;
- Identify general attendance patterns in order to design attendance improvement efforts;
- Ensure students' whereabouts throughout the school day;
- Identify patterns of student behavior that may require student and/or parental attention;
- Determine the school's average daily attendance for aid purposes.

#### **Attendance will be recorded:**

- Daily at elementary level
- Period by period at secondary level or at an elementary level that is departmentalized
- At elementary level when the students attend special area classrooms

#### **Description of strategies to meet objectives**

##### **Saint Mary's School will:**

- Create and maintain a positive school building culture by fostering a positive physical and psychological environment where the presence of strong adult role models encourages, respectful, nurturing, and Christian interactions between adults and students. This positive school culture is aimed at encouraging a high level of student bonding to the school which in turn should lead to increased attendance.
- Develop a Comprehensive Student Attendance Policy based upon the recommendations of a multifaceted School Policy Development Team that includes representation from the Home School Association, administrators, teachers, students, and parents. The school will hold a public Home School Association meeting prior to the adoption of this collaboratively developed Comprehensive Student Attendance Policy.
- Maintain accurate recordkeeping through the use of a Register of Attendance to record attendance, absence, tardiness, or early departure of each student.
- Utilize data analysis systems for tracking individual student attendance and individual as well as group trends in student attendance problems.
- Maintain early intervention strategies to improve school attendance for all students
- Communicate to students and parents areas of concern as well as positive trends.

#### **Determination of Excused and Unexcused Absences, Tardiness, and Early Departures**

Based on our school's education and community needs, core values, and priorities, Saint Mary's has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards.

- **Excused:** An absence, tardiness or early departure may be excused if due to :

**Excused absences and their corresponding codes:**

TYPE of ABSENCE	CODE
• Sickness	S
• Sickness or death in family	F
• Required to be in court	P
• Approved high school or college visits	P
• Quarantine	P
• Religious observance	P
• Attendance at health clinics	P
• Take your child to work days	P

Teachers will provide make – up work for excused absences only.

- **Unexcused:** An absence, tardiness, or early departure will be considered unexcused if the reason for the lack of attendance does not fall into the above categories.

**Unexcused absences and their corresponding codes:**

TYPE of ABSENCE	CODE
• Unlawful detention*	O
• Truancy **	T
• Suspension	Su
• Vacations	V

\* *Unlawful detention occurs when a pupil is absent with the knowledge and consent, stated or implied, of his/her parent, for other than legal reasons. Such excuses as the following come under this heading:*

1. Vacation
2. Shopping
3. Overslept
4. Needed at home, etc.

\*\* *Truancy is defined as an absence from school without parental permission.*

**Incentives/sanctions to be used to encourage regular attendance:**

- a. Perfect Attendance Award given according to school policy
- b. Regular attendance determines participation in special occasion days or events
  - If a student has excessive absences, tardiness, and/or early departures, they will not be able to take part in these special events.
- c. Regular attendance determines promotion
  - If a student has excessive absences, tardiness, and/or early departures, interventions will be put into place to try to remediate the problem. If this problem persists, the student(s) involved will be called in for a conference. If deemed appropriate, this will result in the failure and repetition of current grade level/class.
  - If a student reaches sixty (60) days of absence, the student will have missed school at or in excess of one third of the school year. At this point, the student(s) will be required to repeat their current grade level/class.
- d. Excessive irregular attendance warrants notification of proper authorities
  - Depending on the individual circumstances, this could be Child Protective Services or the Local Police.

**General Absence**

The New York State Register of Attendance for students states that "Absences for family reasons should be limited to no more than five (5) days during any one year." All work will be made up when child/children return to school. No work will be given out ahead of time.

- a. Parents must notify the school when their child is absent or tardy. If proper notification is not given, a designated staff member shall notify the parent/guardian of the student who is absent/tardy. The staff member will explain the School's Comprehensive Student Attendance Policy, the School's intervention procedures, and if appropriate the relationship between attendance and academic success. If the parent/guardian cannot be reached by telephone, the designated staff member will provide such notification by mail.
- b. Students who are tardy must report to the office to sign in and obtain admittance back to the proper class.
- c. Children are required to bring a written excuse after each absence. Parents should notify the office after a pupil has been absent for three consecutive days. If an excuse is not received within the 3 days, the absence is recorded as unexcused. Unexcused absences/tardiness is recorded in school register of attendance.
- d. A child who is absent because of surgery or hospitalization should have written consent to return to school from his/her family physician.
- e. The school should be made aware of a student with serious health problems.
- f. A student guilty of frequent illegal absences will be reported to a social worker. We are mandated by law to report any such cases.

### **Intervention Strategy Process**

In order to effectively intervene when an identified pattern of unexcused absences, tardiness, or early departures occur, the School Principal will work in conjunction with the School Attendance Clerk and other designated staff to pursue the following:

- Identify specific patterns (e.g., grade level, time frame, type of unexcused absence, tardiness, or early departure)
- Contact the parent/guardian in cases when an individual student is involved
- Discuss strategies to directly intervene with specific pattern/trend
- Recommend and implement changes to the Comprehensive Student Attendance Policy
- Utilize appropriate community resources to address and help remediate absences/tardiness.
- Monitor and report short and long term effects of intervention.

### **Student Illness**

Children are the most vulnerable to contracting diseases while in school because of the close contact they maintain. While we cannot prevent this from occurring, with our help we can implement some simple guidelines to help promote a healthy environment.

1. A child should remain home if he/she has vomited or experienced diarrhea within a 24 hour period.
2. A child should be fever free for 24 hours before returning to school. Temperature may indicate an onset of an illness. If your child is coughing excessively, keep him/her home to prevent exposing other children.
3. Please teach your children the importance of correct hand washing as a means of preventing the spread

of germs.

4. Please remind your child of the correct use and disposal of tissues and covering one's mouth when coughing to prevent germs from circulating.

**Communication is a two way street.** Please report any contagious diseases your child has been diagnosed to have (e.g. *strep throat, chicken pox, pink eye, etc.*) The more we know, the better prepared we are to keep your child on the road to good health. When necessary, notices containing information regarding communicable diseases will be coming home. Save these for future references. If you have any questions, contact the school nurse at 689-8424.

### **Excusing Your Child From School**

Please keep your child home when he/she is ill. Write an excuse to your child's teacher upon his/her return to school. Please simply state the facts, for instance:

Date \_\_\_\_\_

Dear \_\_\_\_\_,

My child \_\_\_\_\_ was absent yesterday as he/she was ill.

Sincerely,  
(Signature)

### **Sickness**

When a child becomes ill in school, the same procedure for picking up him/her will be used as in EARLY DEPARTURE.

We need to annually update our emergency papers. In case of sickness, we must be able to reach you. If you have any changes in your phone number, please let us know.

### **Annual Review by the School Policy Development Team**

The School Policy Development Team shall annually review the School attendance records and if such records show a decline in student attendance, the Team shall make any revisions to the Policy and plan deemed necessary to improve student attendance.

### **Community Awareness**

Commencing with the 2013-2014 school year, Saint Mary's School shall promote necessary community awareness of the School's Comprehensive Student Attendance Policy by:

- Providing a plain language summary of the policy to the parents/guardians to students at the beginning of each school year and taking such other steps deemed necessary to promote the understanding of the policy by students and their parents/guardians;
- Providing each teacher with a copy of the policy and any amendments thereto as soon as practicable following the initial adoption or amendment of the policy, and providing new teachers with a copy of the policy upon their employment; and
- Making copies of the policy available to any other of the community upon request.

## **APPENDIX - F:**

I will not waste or take supplies such as paper, printer cartridges, flash drives, and discs that are provided by the school. When I am using an electronic device, I will keep my work area clean and free of food and liquids.
2. I recognize that software is protected by copyright laws; therefore, I will not make unauthorized copies of software and I will not give, lend, or sell copies of software to others. I understand that I will not be allowed to bring software applications, or games from home to be used on school equipment without proof of licensure and prior approval of appropriate school personnel.
3. I recognize that the work of all users is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not attempt to gain unauthorized access to system programs for computer equipment; I will not use computer systems to disturb or harass other computer users or use inappropriate language in my communications.
4. I will honor my school's procedures for the storage of information. I realize that after prior notice has been given to me, files may be deleted from the system to protect the integrity of the network or because of space limitations on the computer's hard drive.
5. Each student who received Internet access will be instructed in the proper use of the network. The use of the Internet must be in support of education and research consistent with the educational objectives of the school. Students using network or computing resources must comply with the appropriate rules for that network or resource. Students are never permitted to type a web address/URL into a web browser.

7. Parents must realize that their students may encounter material on a network that they do not consider appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.) The student is responsible for not pursuing material that could be considered offensive.
5. The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and/or school disciplinary action. The school reserves the right to seek financial restitution for any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.
