Greetings Parents,

A few updates related to registration for the upcoming School Year...mark your calendar as spaces fill quickly!

Registration for the 2019-2020 School Year is scheduled to open on Monday, June 10th at 9:00 AM.

You will need to log in to your [EZChildTrack](#) account and specifically sign up for the desired program(s), update child profile and permissions, etc.

Once you register, you will ultimately receive three follow up emails from our system:

1. Email confirming Successful Submission of your registration.
2. Email indicating Approval of your registration, along with a password.
3. Schedule Confirmation email of days your child has been accepted.

Please note, many sites fill to capacity shortly following registration opening.

We require approximately three days processing the registration requests, and doing so in the order received. We appreciate your patience!

Please be sure to review the parent guide for specifics related to your program, as any updates will be reflected within.

Feel free to follow our [Facebook](#) page as well, for timely updates and contests!

The [Just for Kids Website](#) has additional details related to locations and programming information, as well as available employment opportunities.
